

The rain tax will drain every community

The Rain Tax will drain churches and charities of £100 million a year.

Only water companies and big business will benefit.

Ofwat has allowed this to happen-saying it is fair to see charitable resources go down the drain.

Stop the Rain Tax at
DontDrainUs.org

A black, three-dimensional-looking pipe graphic that starts as a vertical pipe on the left, turns 90 degrees to become a horizontal pipe, and then turns 90 degrees again to become a vertical pipe on the right. It is positioned below the text 'DontDrainUs.org'.
